Discussion of Future Coverage for Knights Landing and Robbins Fire Protection Districts:

Commissioners reviewed call data for 2020 for response to Knights Landing and Robbins Fire Protection Districts. Approximately half of the calls for both districts were the result of the automatic aid provisions; the other half were for mutual aid. Concerns discussed included leaving our district without resources while on out of district calls, costs involved with responding, and the fact that our district is a volunteer department with a limited number of people able to respond. The consensus was to write a letter to Knights Landing and Robbins Fire Protection Districts outlining the terms under which Yolo Volunteer Fire Department will respond. Commissioner Pollock offered to draft the letters for review by the other Commissioners. Fire Chief Tafoya will discuss the matter with Yolo County Communications.

Meeting adjourned at 7:35 AM.

Respectfully submitted,

Lynnel Pollock, Secretary
